

COS MOWW teams with Wreaths Across America

On December 19, 2026, the Wreaths Across America (WAA) program will distribute truckloads of wreaths to Veteran's Cemeteries across the world to be placed on US Military Member graves in remembrance of their service and sacrifice. Beginning this year, COS MOWW has teamed with WAA to support the purchase of wreaths for placement at the Pikes Peak Veterans Cemetery in Colorado Springs. Many of us already donate to this worthwhile program and this is an opportunity to receive a \$5 payback for COS MOWW for every \$17 wreath you donate for placement on a gravesite. If you are already purchasing wreaths for another veteran's cemetery, please consider ordering them through the COS MOWW website - <http://www.wreathsasscrossamerica.org/CO0345P> - and our local Chapter will benefit from your generosity. If you have never participated in this program, please consider doing so. You can donate at any participating veterans cemetery listed in the dropdown list and can even specify that your wreaths be placed on a specific grave (i.e. a parent, friend, or battle buddy). Any wreaths that you purchase through the COS MOWW website above qualify for the \$5 payback. Thanks, in advance, for remembering our fallen heroes and for supporting the COS MOWW operating fund through your generous donation.
